

## Information Sharing Forum

Home Assist Community Services invites all Occupational Therapists to attend an informal Information Sharing Forum.

The aim of the forum is to provide information to assist in the referral of clients for CHSP Minor and Major Modifications, Home Care Package Referrals and NDIS Referrals.

Home Assist Community Services would like input from all interested Occupational Therapists to enable us to provide clients with suitable, timely and cost effective modifications.

|               |   |
