Transport

Services	Unit	Standard Rate
Direct Transport	Kilometre	\$1.50

Direct Transport is a separate Support at Home service and may be charged based on distance travelled. Charges will be discussed and agreed prior to service delivery.

Additional Information

Hourly rates apply to standard services delivered by our staff unless otherwise agreed.

Quoted services apply where the scope of work, complexity, materials, specialist input, or service requirements need to be assessed before the service begins.

Additional charges for materials, equipment, or externally sourced services will be discussed and approved before work proceeds.
