

Brokerage Fee Schedule

01/07/2026

This schedule outlines the brokerage services available through Home Assist Community Services and the pricing method applied to referred works.

Services

Service	Pricing
Domestic assistance	Per quote
Lawns and gardening	Per quote
Maintenance	Per quote
Home modifications	Per quote

How pricing is applied

- All brokerage services are quoted prior to commencement.
- Quotes are calculated as a single, all-inclusive service rate. This rate builds in the scope of works, labour, materials, service location, and all associated contractor coordination, compliance verification, and administration costs.
- Quotes must be formally approved by the primary provider before work proceeds.
- All issued quotes are exclusive of GST unless stated otherwise.

Service delivery arrangements

- works may be delivered by our internal team or through our approved contractors.
- Approved contractors may be engaged where required across all service areas.

Important information

- Any variation to the approved works may require a revised quote before further work is completed.
